Purpose & Scope

The purpose of this policy is to ensure that our Tenants, Residents, Service Users (TRS) and any person or group of people who are affected by an activity or service carried out by the Association can raise their complaint and have it thoroughly investigated and resolved in a timely manner.

This policy is also applicable to anyone who receives or requests a service from Adullam Homes (including external complainants/stakeholder & our partners) and those acting on our behalf, or anyone who is affected by our decisions or actions, such as non-tenant neighbours or applicants for housing.

The Regulator of Social Housing (RSH) Consumer standard “Tenant Involvement & Empowerment” states that: “a registered provider shall have an approach to complaints that is clear, simple and accessible that ensures that complaints are resolved promptly, politely and fairly”.

This policy sets out to ensure this requirement is met. In addition, the Housing Ombudsman Service complaint handling code sets out what it expects from the sector. This policy ensures that we comply with that code. When we receive a complaint we will make sure TRS are aware of the Housing Ombudsmen Service and that TRS have the right to access the Housing Ombudsmen Service throughout the lifetime of their complaint. The policy will ensure that feedback from complaints is used to improve the service, deliver high levels of satisfaction, and identify learning that supports process improvements.

1.0 Introduction

Adullam Homes Housing Association Limited is committed to providing quality, responsive and timely services that consistently meet or exceed our Tenants, Residents and Service Users’ expectations. However, we realise that things can occasionally go wrong and that despite our best efforts, we may not always get things right. When this happens, we will act quickly to resolve a problem, keep the individual(s) informed of our actions, advise of how we will learn from the experience and do things differently to prevent it happening again. Where this happens, it is important for our Tenants, Residents and Service Users (TRS) to be able to tell us, so that we can address these concerns.

Adullam’s Mission Statement is: ‘Restoring Hope and Dignity’, and this links directly to our values:

- **Valuing the Individual**
- **Integrity and Fairness**
- **Striving for Excellence**

2.0 Policy statement

Adullam Homes is committed to providing an excellent service for all and recognises sometimes there will be some dissatisfaction and that a complaint will be made. We will investigate complaints in a confidential and respectful manner, agreeing with the individual how they will be kept informed throughout the process and wherever possible we will seek to resolve complaints informally to achieve a swift and satisfactory outcome without the need for a formal complaint.

In addition to complaints, the scope of this Policy also takes account of the ways in which Adullam Homes deals with **Compliments, Comments and Suggestions** as valuable forms of feedback.

2.1 Definitions

Complaint – will be defined as: ‘An expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the organisation, its own staff, or those acting on its behalf, affecting an individual resident or group of residents’.

Feedback – will be defined as: ‘any method whereby Tenants, Residents and Service Users can express their views on how Adullam Homes delivers its services’.

Compliments - Adullam Homes encourages Tenants, Residents and Service Users to let us know when we have done something they are satisfied with, as well as areas we need to improve. Compliments received will be logged on Pyramid and shared with the Senior Leadership Team when required. Where it has been identified that a member or members of staff have demonstrated delivery of excellent services, they will be sent an internal message of thanks from the relevant manager.

Suggestions and Comments

Adullam Homes encourages suggestions and comments on how it can change and improve the ways in which it works to deliver better services. All suggestions/comments will be logged on Pyramid and any that are adopted will be publicised and individually acknowledged.

2.2 Examples of what we will consider as a complaint include:

- Failure to provide a service that we say we will
- Failure to provide that service to a reasonable standard
- Failure to follow an Adullam policy or published service standard or agreed process
- The unprofessional behaviour of a member of staff (e.g. in breach of Code of Conduct policy)
- Failure to provide information or the right information in a timely manner.

2.3 Adullam Homes may not deal with any of the following as a complaint under this policy:

- An initial request for a repair/service

- Reports of neighbour nuisance or anti-social behaviour
- Complaints about services that are not provided or contracted by Adullam Homes
- An Insurance claim that is made through Adullam Homes' insurance providers
- A complaint which relates to alleged failure to comply with the General Data Protection Regulation (GDPR)
- A complaint relating to an executive or non-executive director of Adullam Homes (separate procedures will apply in both circumstances)
- A complaint which relates to an event more than six months before the date that we receive the complaint (exceptions considered where safeguarding or Health & Safety is a factor)
- Any issue which is subject to ongoing legal proceedings or investigation.
- A complaint that is repeated and has already been completed under this policy.
- Disagreement with an Adullam policy or procedure. We encourage comments and feedback on our policies and procedures through our co-production structures, involvement and engagement.
- Appeals against decisions such as issuing a warning or an allocation decision. These will be dealt with under the relevant appeals process.
- Complaints or concerns that relate to a safeguarding issue such as abuse or neglect. This will be dealt with through our safeguarding process.

2.4 If Adullam Homes decides not to accept a complaint, a detailed explanation will be provided, setting out the reasons why the matter is not suitable for the complaints process and the right of the tenant, resident, or service user to contact the Housing Ombudsman Service.

3.0 Adullam Homes has adopted the principles set out by the Housing Ombudsman Service in its approach to complaint resolution.

We will: -

- Be fair – treating people fairly and follow fair processes - a constructive approach that applies consistent principles to all complaints and each complaint is considered on the facts of each individual case
- Put things right – where we have got things wrong
- Learn from the outcome of complaints – feedback to service users including the complainant on lessons learnt and actions taken to improve service delivery

4.0 Confidentiality and Anonymous Complaints

4.1 We will respect the confidential nature of the complaints we receive and if the complainant asks us not to speak to particular individuals, we will respect their wishes, but this may restrict our ability to resolve the complaint.

4.2 In keeping records about complaints and any access to our complaints register, we will comply with relevant data protection requirements under the General Data Protection Regulations.

4.3 Where complaints are made anonymously, we will investigate wherever possible, however without specific details this may not always be possible although we will always record such complaints. Adullam has a zero-tolerance approach to victimisation of complainants, and Tenants, Residents and Service Users can be assured that they will not be treated in a negative way as a result of making a complaint. Where a conflict of interest may be of concern, this complaint will be allocated to an independent employee.

5.0 Group Complaints

5.1 Occasionally the same complaint may be made by a number of people. A group complaint will be dealt with using the same process as a complaint made by one person. In these circumstances, where it is appropriate, we will communicate with the “lead complainant” if one is identified, or this will be signposted to scrutiny champions/panel to support.

6.0 Support for people wishing to complain

6.1 A leaflet outlining the Complaints Policy and procedure is available from our website and can be made available in different formats on request.

6.2 There are a number of scrutiny champions and trained peer mentors based across the Association, they can help TRS to make a complaint where they do not feel comfortable in doing so themselves.

6.3 Adullam will also work with partners/external agencies and engage with other third parties where relevant to achieve a desirable outcome. We will accept complaints from our tenants, residents and service users or anyone who has a clear link to us, such as using a service we provide. Where an individual asks a third party to act on their behalf, we will ask for appropriate permissions from that individual before we will do this.

7.0 Making a complaint – How to make a complaint

7.1 Complaints can be made by telephone, letter, e-mail or face to face, using a complaint form via our website, complaints leaflet, QR code and on social media.

7.2 As part of our approach we will always attempt to speak to the individual in person unless they have requested an alternative method of communication. Making a complaint will not have an adverse effect on any other services that someone receives from us. We seek to prevent any person or persons

from being discouraged from complaining because English is not their first language; have poor literacy or communication skills; or they have a disability that makes communication difficult.

7.3 We will acknowledge all complaints within five working days (Stage One) and aim to resolve your complaint within 10 working days (Stage Two). If an investigation requires longer than this, we will contact the complainant and keep them fully informed of the progress of their complaint and when they can expect a full response. Escalation of any complaint stage should be done so within 10 working days of the decision response on whether their complaint is upheld or not. You have the right to contact the Housing Ombudsman Service at the response or outcome of Stage Two. Where only necessary and requested by the TRS, a Stage Three response will be considered and dealt with in 20 working days.

7.4 The Complaints Policy and procedure stages are sequential, and any complaint will be dealt with fully under each stage.

7.5 We will only usually investigate complaints which were made within 12 months of the event which caused the complaint.

8.0 There are three stages to Adullam's complaints process:

Complaints Process

Stage One first response - putting it right

Within five working days

We want to find a quick and effective solution to your complaint and we expect most complaints to be resolved at this stage. If we can resolve things for you at this stage we will class your complaint as resolved and no further action will be required

If we can't put things right at the first response stage you can ask us to move your complaint to the next step, Stage Two within 10 working days of the decision.

Stage Two – Investigation

Within ten working days

We will assign a manager to investigate your complaint further. They will investigate and respond within ten working days.

If you are unhappy with how your complaint has been investigated and you meet at least one of the review criteria, you can ask for a review of the investigation within 10 working days of the decision. You can contact the Housing Ombudsman following Stage Two

Stage Three - Review

Within twenty working days

A Senior Manager will carry out a review of your complaint if you can explain how you meet one or more of the following criteria:

- all or some of the points on your complaint have not been investigated
- all or some of the agreed actions have not been carried out or carried out to a less than satisfactory standard within the agreed timescales
- Adullam have not responded to your complaint within the agreed timescales

9.0 Tenants, Residents and Service Users Scrutiny Panel and additional complaint solutions

9.1 If a complaint has been through Adullam's internal complaints procedure and still not been resolved to the complainant's satisfaction, Tenants, Residents and Service Users have the right to ask their complaint to be looked at by a scrutiny panel. The panel is made up of a number of Adullam Tenants, Residents and Service Users who have had special training to enable them to consider complaints under this process.

9.2 Mediation - Mediation may be offered at any stage of the complaints process. Mediation is a balanced, positive way of sorting things out before the conflict starts to affect people's quality of life. Mediation is impartial and fair for all parties involved and helps people to find a way to work out a solution to their problems. Mediation offers both parties the opportunity to help improve communication and look at resolutions.

10 Compensation

10.1 Compensation payments may be paid at the discretion of the investigating manager, in line with this policy and reflect the circumstances of each case.

10.2 Compensation payments may be offered where:

- We have failed to deliver a service to the advertised or expected standard
- In recognition of the time and trouble taken by the individual to make their complaint
- In recognition of distress and inconvenience experienced
- To reflect loss suffered because of a service failure by us

10.2 We do not pay compensation for loss of earnings.

10.3 Compensation payments are used to offset rent or other arrears in the first instance. Reimbursements, such as for a replacement product, or where an individual has incurred additional expense, are paid regardless of arrears on a rent account.

10.4 All compensation payments will be approved by the Executive Director of Housing and Support.

11 Persistent or Repetitious Complaints and Unacceptable Behaviour

11.1 Adullam wishes to respond positively to any concerns or complaints, however, very occasionally, we may reject a complaint without a detailed investigation if we feel that it is deliberately repetitious. This is most likely to apply where the matter has been the subject of a previous complaint that has been dealt with to the best of our ability or the complainant is asking us to look at the same matter again.

11.2 Relatively few of our Tenants, Residents and Service Users behave in a way that is unacceptable or unreasonable, however, on occasions, a complainant may behave in a way that is angry or aggressive towards staff. Where complaints result in a situation where Adullam needs to protect staff from unacceptable behaviour such as unreasonable persistence or offensive behaviour from the complainant, the Association has adopted the Housing Ombudsman’s Unacceptable Actions Policy. Unacceptable behaviour may result in a restriction of the contact the Association has with the complainant and threats or use of physical violence, verbal abuse or harassment may result in the incidents being reported to the police.

11.3 Vexatious Complaints and Unreasonable Persistent Contact Policy and Procedure - For many of the people we have daily contact with, taking action under the terms of this Policy will never be necessary, however, for some who deliberately and/or persistently engage in behaviours which are considered to be unacceptable, it is important that the organisation has a Policy which:

- Sets out our approach to managing individuals who present unacceptable behaviours.
- Is easily accessible, so that our customers, tenants, residents and service users are aware that this Policy exists and know that certain actions will be taken depending on the type and extent of the unacceptable behaviour; and
- States how staff, partners and contractors will be supported when dealing with unacceptable behaviour, whilst acknowledging that where customers or service users make counter-allegations against our staff, these will be reviewed and investigated thoroughly.

This policy defines an individual who is considered subject to the Vexatious Complaints Policy and unreasonable persistent contact procedure. These include individuals who:

- Make unreasonable demands.
- Are unreasonably persistent.
- Refuse to accept the outcome of a complaint or review process and continue to pursue their complaint or issue in a persistent, vexatious or unreasonable manner.
- Are persistently or repeatedly rude - including swearing or using coarse or unacceptable language, despite being asked respectfully to modify their language or behaviour.

- Are persistently or repeatedly verbally abusive, aggressive or intimidating – including speaking in a way, tone or volume which can reasonably be perceived as aggressive, despite being asked respectfully to modify their language or behaviour. This can also include making derogatory remarks, rudeness or inflammatory or unfounded allegations.
- Makes physical threats towards staff – including threats to physically hurt or harm someone.
- Behaves inappropriately – including the use of sexually suggestive or racially inappropriate language or behaviour or making references to actions or behaviour which are illegal or immoral.

This policy/procedure can be applicable to a current tenant, resident or service user, ex residents, and members of the public.

12. Data Protection

We are committed to safeguarding the rights of confidentiality and privacy. All Adullam staff are required to maintain a duty of care towards information regarding Tenants, Residents and Service Users and applicants, in line with data protection legislation and the Data Protection Policy 2018.

13. Monitoring and Learning from complaints

13.1 Regular monitoring will take place by the Complaints Handling Officer and members of the Senior Leadership Team to ensure that procedures are being followed.

13.2 Reports will be provided to the Executive Director of Housing and Support, Senior Leadership Team (SLT) and to the Operations Committee / Board every year. The report will highlight:

- The number of complaints
- The nature of complaints
- Process and resolution timeframes
- Trends in the numbers and types of complaints and action taken or proposed to improve these areas of service
- Areas of concern
- Any compensation paid
- Self-assessment reporting against the complaints handling code

13.3 Performance indicators on complaints will also be provided to the Board and they will be notified immediately of any major complaints.

13.4 The number and type of complaints will be published in the Tenants, Residents and Service Users Annual Report.

13.5 Random or specific satisfaction checks will be undertaken to ascertain whether complainants are satisfied with the way that their complaints have been handled.

14 Staff Training

14.1 We will use a range of methods to provide training to colleagues and scrutiny panel members/ champions on the Policy and procedure.

This will include:

- Face to face discussions at team meetings
- Internal/external training courses for those colleagues who have a more detailed involvement in complaints handling. Appropriate e-learning course and staff training pathways.

15 Equality Diversity and Human Rights

15.1 Adullam Homes is committed to ensuring that no person or group of persons will be treated less favourably than another person or group of persons and will carry out its duty with positive regard for the following core strands of equality; Age, Disability, Gender, Race, Gender Identity / Gender Expression, Sexual Orientation, Religion and/or Belief, Civil Partnership and Marriage, Pregnancy and Maternity. Adullam Homes also recognises that some people experience disadvantage due to their socio-economic circumstances, employment status, class, appearance, responsibility for dependants, unrelated criminal activities, being HIV positive or with AIDS, or any other matter which causes a person to be treated with injustice. We will also ensure that all services and actions are delivered within the context of current Human Rights legislation and will endeavour to ensure staff and others with whom it works, adhere to the central principles of the Human Rights Act (1998).

16 Publishing the Policy

16.1 We will publicise our policy on complaints to our Tenants, Residents and Service Users, staff and other stakeholders in several ways, including:

- Tenants, Residents and Service Users' handbook
- Licence and Tenancy documents
- Annual Report
- Adullam website
- Policy Hub
- Policy briefings and training
- Within routine communications
- Annual Coproduction Involvement & Engagement week

17 Implementation

17.1 All Adullam Homes staff have a responsibility for ensuring the effective implementation of this policy and should take ownership of complaints, appeals and feedback handling. All staff will be expected to cooperate with any internal investigations and scrutiny/panel meetings as required.

18 Review – The Adullam Homes Complaints Policy will be reviewed annually, as near as is possible from the date of Board approval or as required by the introduction of new legislation, regulation or as a result of any Internal/external system audits. The review process will ensure its continuing suitability, adequacy and effectiveness.
